Fasting begets prophets and strengthens strong men.

DANIEL FAST

21 DAYS: FAST, PRAY, STRATEGIZE

ENGAGING IN A HEAVEN ON EARTH REVOLUTION

We at New Horizon believe that Jesus Christ came to revolutionize our lives. When we yield to His victorious life and receive His promises, He changes everything- from how we think about ourselves to how we interact with each other, and even our place in society. Every year it is important to take some time to dedicate ourselves to the furthering of that change.

If you need answers to your future, breakthroughs in relationships or want to see more effectiveness in your influence, then join us in this pursuit of worship, friendship and sonship for 21 days.

Come together with us as we fast, pray and strategize.

We've set aside 21 days to pursue these three goals. During this time we invite you to identify your own personal goals as we join together in corporate pursuit of a revival atmosphere and a more effective reach into our community.

Look at the world around you. It may seem like an immovable, implacable place. It is not. With the slightest push – in just the right place – it can be tipped.

*- Malcolm Gladwell
(The Jesus Fast- Lou Engle)*

The revolution we desire is:

1. A revival for every person resulting in a healthy Christian experience. Each individual receiving abundant and uncommon wisdom regarding purpose, influence, relationships, vocation and Christlikeness.

2. A Stronger Church.

A revival within the atmosphere of New Horizon, that together our hearts burn with the mission, power and passion of Jesus Christ.

3. A more effective expression of God's Kingdom in culture and society.

We want the Kingdom of God to permeate the Kingdoms of this world. We want Spiritual momentum within the atmosphere of this region that causes a hunger and brokenness in the lost so as to find their life in Jesus Christ.

The revolution will require:

1. Unity.

Research shows when a unified people give themselves to prayer and fasting it shifts history. We need you in this pursuit – as deeply as you can, to join us, with in fasting, prayer and strategy from heaven. Your agreement of will cause all of us to go higher in the Lord.

2. Focus.

Distractions might rage against our ambition to keep a burning devotion of prayer and fasting for the full 21 day period. Intense focus will yield the best results. No doubt each person's intensity will be different, but consider a focus that is as fervent as possible.

3. Commitment.

This fast is meant to interrupt your normal routine for a more challenging but beneficial routine. Your commitment will mean the re-arranging of life to fit around this season. For change in your own life, our church and our communities, commit yourself to this higher good.

DANIEL FAST

21 DAYS: FAST, PRAY, STRATEGIZE

Genesis 11:6

And the Lord said, Behold, the people is one, and they have all one language; and this they begin to do: and now nothing will be restrained from them, which they have imagined to do.

This revolution is fueled by:

1. Passionate Prayer. A planned and purposeful increase of frequency, duration and intensity in your personal and our corporate prayer life for these 21 days.

2. Sacrificial Fasting. A purposeful giving up of certain food and specific activities that are perfectly lawful and allowable but that are sacrificed for the revolution.

3. Purposeful hearing and strategizing. A focused process of identifying what God needs from you, what you need from God and the directions He has for your life in 2017.

You are about to embark upon 21 days of fasting, prayer and strategic listening that will change your life, our church and our region.

In the next few pages we will amplify these elements.

For each of us, our 21-day period will begin with worship, humility and repentance, as it was with Jehoshaphat in 2 Chronicles 7:14.

2 Chronicles 7:14...if my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land.

We will launch the 21 days with a corporate gathering of Worship Sunday Evening January 8, 2017 at 5:00pm.

Expect God to meet you during and following the 21-day period. Each prayer, each gathering, each sacrifice, each year builds spiritual momentum.

The last few days of our fast are set aside for our PROPHETIC SUMMIT. We will gather for extended meetings, prayer and teaching. Come expecting a special time with Father.

This booklet is meant to compliment your experience during this 21-day period. You'll find fasting tips, prayer guides, journal pages and food suggestions. God bless you as you pursue Him and release His presence into your life, our church and the world.

DANIEL FAST

21 DAYS: FAST, PRAY, STRATEGIZE

FUEL FOR A REVOLUTION

1. Passionate Prayer

If your desire for God is linked to discipline it will result in delight. The discipline of this season is to increase the frequency of our prayer times. If you are hit and miss in your prayer life, these 21 days are meant to get you in a more set habit. If you are fairly regular in your prayer time then it's a perfect time to perfect and intensify it.

Guidelines for personal engagement in passionate prayer:

1. Consider setting aside 30 minutes for God, at least 3 times each day for the 21 day period. These periods should be times of worship, meditation, dreaming, prophecy and warfare. It might be best if these 30 minute times are centered around your meals. If you simplify your diet yet omit passionate prayer you've only made a physical shift, not a spiritual shift. Remember our goal is to become a history shaper. Do your best to make these sessions "set apart" sessions without distraction. I.E., If you are at work during the day, go out to your car during your lunch break.

2. Passionate prayer sessions could follow the Lord's outline and include:

Matthew 6:9-11

"Pray, then, in this way: Our Father who is in heaven, Hallowed be Your name. Your kingdom come. Your will be done, On earth as it is in heaven. Give us this day our daily bread."

Worship – Our Father Which Art in Heaven

Honor God for all that He has done and for all that He is. Use some worship music, read the Psalms out loud as your own worship, enumerate all your blessings.

Intercession/Proclamation – Thy Kingdom Come Thy Will Be Done On Earth As It Is In Heaven

Acknowledge the superiority of His will. Consider your personal goals and allow God to speak to you concerning your life. Reference things that are on the enclosed prayer agendas. Declare God's will and word coming to pass in your life, New Horizon and in our nation.

Personal Growth - becoming a healthier Christian

Maturity in Christ	Marriage/relationships
Family life	Personal ministry
Influence in culture	Health
Vocation	Finances

Petition – Give Us This Day Our Daily Bread

Name your needs and noble desires clearly - with thanksgiving and faith.
Release the goodness of God to flow into your situations.

Repentance – Forgive Us Our Debts As We Also Have Forgiven Our Debtors

Repent for sin (personal, corporate and national).
Declare a release of mercy to those who have brought hurt into your life.

Lead Us Not Into Temptation But Deliver Us From Evil.

Renounce the tactics of the enemy and pray a wall of protection around your own life and others.

Thanksgiving – For Thine Is the Kingdom And The Glory And The Power Forever And Ever.

Close your time of prayer with thanksgiving and confidence in Him.

DANIEL FAST

21 DAYS: FAST, PRAY, STRATEGIZE

FUEL FOR A REVOLUTION

He who buries his head into the nosebag of food cannot hope to see the invisible world. Abu Al-Ghazali (1058-1111)
The Jesus Fast – Lou Engle

2. Sacrificial Fasting

We are embarking upon the “Daniel Fast” of Daniel Chapter 10. Daniel set aside 21 days to seek God in prayer as well as a strict diet of healthy foods that demonstrated his desire to hear from heaven. Pastoral leadership is a privilege and can be quite enjoyable...until we have to bring up some of the more difficult things that the Bible teaches (such as fasting!) Most people are not very quick to jump on this particular discipline.

It’s always exciting to read about the real heroes of the faith that fasted and prayed and got their breakthrough, but Me? Us? Here? Now? Yes, here with us, now! We, NHC are committing to no meats, no sweets or wine for these 21 days. See the section defining the fast for more information.

Daniel 10:2

In those days, I, Daniel, had been mourning for three entire weeks. I did not eat any tasty food, nor did meat or wine enter my mouth, nor did I use any ointment at all until the entire three weeks were completed.

Should I fast?

Yes you should! As we look at the world financial crisis, the political situation, the moral state of decay and the fight we find ourselves in personally, it is more apparent than ever we need to revive this discipline.

The concept of fasting may be new to you, but it has been practiced for thousands of years to bring about historical change.

Jesus did not say 'If you fast,' but 'When you fast.' Fasting was and still is an expectation for the spiritual man or woman of God. He also taught that your private discipline will bring you rewards from Heaven.

Matthew 6:16-18

“When you fast, do not look somber as the hypocrites do, for they disfigure their faces to show men they are fasting. I tell you the truth, they have received their reward in full. But when you fast, put oil on your head and wash your face, so that it will not be obvious to men that you are fasting, but only to your Father, who is unseen; and your Father, who sees what is done in secret, will reward you.”

Fasting and setting a time apart to hear from God at the beginning of the year is like the giving of a first fruits. The first fruit principle is how the “whole” of a thing is sanctified. The whole of 2017 will be sanctified as you seek the Lord for His wisdom and favor upon the coming year. If you are facing anything that is bigger than you are able to take care of, then you need to fast. If you have a longing for more of God’s presence, then you need to fast. If you have a God-sized dream and a human-sized capacity, then you need to fast.

What is fasting?

In its purest Biblical form, fasting refers to the exchange of earthly food for spiritual food. Instead of eating things that are totally legal and acceptable a Christian will pray and meditate on the BREAD OF LIFE, and minister to the Lord listening for direction and breakthroughs.

A fast is the decision to put strict discipline to our fleshly satisfaction and seek spiritual satisfaction. Our bodies demand a lot from us. Our need for food quite often goes beyond need and becomes an addiction of sorts. Over-indulgence and potential gluttony become the driving force in our lives instead of Christ ruling in our day-to-day life. Gluttony means ‘an excess of eating or drinking’. A time of fasting can help put food in its rightful place in a Christian’s life.

What are the benefits of fasting?

Fasting brings about miraculous results. Nothing positions you before God to obtain mercy and grace like fasting combined with prayer, because it’s a showing forth of faith and deep-seated trust.

Fasting is eating the meat of God’s will. You are choosing to elevate the will of God in the earth. Jesus spoke of this in John Chapter 4.

John 4:31

*Meanwhile his disciples urged him, “Rabbi, eat something.”
But he said to them, “I have food to eat that you know nothing about.”
Then his disciples said to each other, “Could someone have brought him food?”
“My food,” said Jesus, “is to do the will of him who sent me
and to finish his work.”*

Benefits from fasting and prayer:

1. God's voice becomes more distinct and clear.
2. God's will prevails over your darkened or partial understanding.
3. The physical body is cleansed and receives a rest from toxins repetitive foods.
4. The body requires less energy to process food, therefore resulting in more lift.
5. Your spirit flourishes as you give it center stage.

Biblical and historical precedent for fasting

Fasting has been a common practice. There is more teaching in the New Testament on fasting than on repentance and confession. Jesus taught more on fasting than on baptism and the Lord's Supper!

The Early Church Fasted.

1 Corinthians 7:5

Defraud ye not one the other, except it be with consent for a time, that ye may give yourselves to fasting and prayer; and come together again, that Satan tempt you not for your incontinency.

Paul Fasted.

2 Corinthians 6:3-6

Giving no offence in anything, that the ministry be not blamed: But in all things approving ourselves as the ministers of God, in much patience, in afflictions, in necessities, in distresses, In stripes, in imprisonments, in tumults, in labors, in watchings, in fastings; By pureness, by knowledge, by longsuffering, by kindness, by the Holy Ghost, by love unfeigned...

2 Corinthians 11:27-28

In weariness and painfulness, in watchings often, in hunger and thirst, in fastings often, in cold and nakedness. Beside those things that are without, that which cometh upon me daily, the care of all the churches.

Paul and Barnabas Spent Time Time in Fasting and Prayer For Appointing Elders.

Acts 14:21-23

And after they had preached the gospel to that city and had made many disciples, they returned to Lystra and to Iconium and to Antioch, strengthening the souls of the disciples, encouraging them to continue in the faith, and saying, "Through many tribulations we must enter the kingdom of God." And when they had appointed elders for them in every church, having prayed with fasting, they commended them to the Lord in whom they had believed.

Jesus Fasted.

Matthew 4:1-2

Then Jesus was led up by the Spirit into the wilderness to be tempted by the devil. And after He had fasted forty days and forty nights, He then became hungry.

Jesus Said it Would Be Normal For Believers to Fast.

Matthew 6:16

And whenever you fast, do not put on a gloomy face as the hypocrites do, for they neglect their appearance in order to be seen fasting by men.

Fasting During Periods of Reformation

Fasting is not limited to believers the Bible mentions. Most of the church's reformers including Martin Luther, John Calvin and John Knox fasted. Knox fasted and prayed so much that Queen Mary said she feared his prayers more than all the armies of Scotland.

John Wesley, the renowned English preacher, missionary and founder of Methodism, fasted twice weekly from sun up until late afternoon.

Charles Finney, a revivalist of the 1800's, fasted regularly each week and would often go three days without eating when he felt any diminution of spiritual power at his meetings. The enemies of revival counted a gentleman known as "Father Nash" a full partner to Finney in the work of revival. They feared and hated his praying at least as much as they did Finney's preaching.

The best-known revival of this period in American history was that which occurred in Rochester, New York. Over 100,000 were considered to have been soundly converted during those meetings. Father Nash teamed up with a brother named Clary in fervent prayer and agony of soul. He was also known for his much fasting.

God honored their burden-bearing and sent revival. Privately they prayed and publicly God answered. "Practically everyone in the city was converted. The only theater in the city was converted into a livery stable, the only circus into a soap and candle factory, and the grog shops (bars and taverns) were closed."

More recently, Frank Bartleman was a catalyst for the Azusa Street revival in 1906, a revival that is still impacting the world. He was so zealous for revival that at one point his wife feared for his health because he had committed so intensely to fasting (pg. 37 The Jesus Fast).

Franklin Hall birthed a fasting movement in the 1940's, a movement that spawned the "latter day reign" movement and many ministers that brought a change to America and the World, including Billy Graham, Bill Bright, Oral Roberts and many more.

Understanding the Daniel Fast

Daniel lived during the Old Testament times. Israel was in captivity to the King of Babylon. Daniel was a man that loved and served God. He set himself apart from the situation he found himself in, sought God through passionate prayer, sacrificial fasting and a set-apart life-style. Through his willingness to engage in spiritual warfare he was put into a very influential place and eventually saw the Hand of God move on his behalf. We can be inspired and use his story to pattern our own pursuit of God through the troubling times we find ourselves in as well.

Daniel 6:10

Now when Daniel knew that the document was signed, he entered his house (now in his roof chamber he had windows open toward Jerusalem); and he continued kneeling on his knees three times a day, praying and giving thanks before his God, as he had been doing previously.

Daniel 10:2-13

In those days I Daniel was mourning three full weeks. I ate no pleasant bread, neither came flesh nor wine in my mouth, neither did I anoint myself at all, till three whole weeks were fulfilled. On the twenty-fourth day of the first month, as I was standing on the bank of the great river the Tigris, I looked up and there before me was a man dressed in linen, with a belt of the finest gold around his waist. Then I heard him speaking, and as I listened to him, I fell into a deep sleep, my face to the ground. A hand touched me and set me trembling on my hands and knees. He said, "Daniel, you who are highly esteemed, consider carefully the words I am about to speak to you, and stand up, for I have now been sent to you." And when he said this to me, I stood up trembling. Then he continued, "Do not be afraid, Daniel. Since the first day that you set your mind to gain understanding and to humble yourself before your God, your words were heard, and I have come in response to them. But the prince of the Persian kingdom resisted me twenty-one days. Then Michael, one of the chief princes, came to help me, because I was detained there with the king of Persia."

Daniel had developed a habit of fervent prayer 3 times each day. When Daniel saw that a prophetic word of the restoration of Israel was not coming to pass he added fasting to his prayer schedule.

Daniel 9:1-3

In the first year of Darius the son of Ahasuerus, of Median descent, who was made king over the kingdom of the Chaldeans--in the first year of his reign I, Daniel, observed in the books the number of the years which was revealed as the word of the LORD to Jeremiah the prophet for the completion of the desolations of Jerusalem, namely, seventy years. So I gave my attention to the Lord God to seek Him by prayer and supplications, with fasting, sackcloth, and ashes.

Likewise God has spoken many powerful things over us as a church and a people. These are days of Hope for the body of Christ and 2015 is destined to be a year of increase. But, we each play an important role in bringing God's promises up in prayer and calling upon Him to intervene in our affairs. This is why we are asking you to join us for 21 days of seeking the will and favor of our God.

Daniel Fast – Why 21 days?

The number 21 is 3 series of 7's or 7 series of 3's.

Both of these numbers are special and of great importance in scripture.

7 is the number of completion, fullness, the number of maturity.

3 is the number of transition, the number of change, the number of resurrection, the number of perfection.

The 21-day fast represents the persistency that was necessary for a breakthrough, a change and an answer. There are breakthroughs, but many are temporary. We need more than a temporary victory against the enemy. We need permanent breakthroughs. It takes a period of reoccurring days to make a new habit, break a habit or bring about change.

At one point Jesus calls Satan Beelzebub, thus he is depicted as the "lord of the flies." This is a metaphor that helps us understand how to defeat him. Flies have a life cycle of 15-30 days. Daily persistence in prayer, in authority, in faith is a biblical key to unlock the promises of God. We get permanent breakthroughs when we persist through the full period of petition, supplication, believing, warfare and confrontation.

Daniel knew the power of persisting in prayer and combined this with fasting. The prince of Persia (demonic resistance) was resisting the prayers of Daniel because it meant freedom for Israel. Michael the angelic Prince of Israel had to come and assist this angel in getting the answer through to Daniel.

What's resisting you and your prayers?
How long will it resist?
Remember this, resistance has a lifespan!

You and I have to realize that our prayers empower angelic beings to do warfare on behalf of the Kingdom of God. We want that warfare to be consistent. Daniel knew the power of passionate, persistent prayer and sacrificial fasting for a 21-day period. Now we're really laying hold of some power. 21-days and 3x each day.

Daniel Fast Diet

Daniel lived in the palace of the king of Babylon. He had been selected by the king as one of the best and brightest Israel had to offer. This position came with the privilege of eating the palace foods. It was perfectly fine for Daniel to eat the choicest meats and delicacies. But Daniel had a greater desire to hear from God on a breakthrough for himself and his people. Daniel chose to give up meat, sweets and wine as well as the luxury of lotions and oils that were afforded him. He set aside these

comforts to show God he was willing to sacrifice to hear from Him. He was willing to suffer in the natural for spiritual advantages.

A Daniel fast is defined as the following:

- 1. Prayer 3 times a day for 21 days**
- 2. No sweets**
- 3. No meats**
- 4. No wine**
- 5. Giving up of certain comforts**

We're asking you to join us in a similar- if not identical way. Some people include dairy products such as milk, cheese and eggs. Others do not. Some say no bread at all, others say whole grain, non-sweet breads are fine. Some give up TV, movies and other recreation.

We will not judge you as to what you define as your fast.

You need to define what your fast will be and what you have the faith to do. Then write that down and commit to it. We are encouraging you to make a sacrifice and make an exchange for increased prayer.

Practical Daniel Fast Diet Tips

Break it Down

What do you love that is already Daniel fast-friendly? Are there certain vegetables and fruits that you love? Stock up on all of the fruits and vegetables you can eat and remember to shop smart, you do not want to over-buy. Be realistic in how many servings you can or will eat per day. You might even want to challenge yourself by trying something you have never tried before.

Dehydration

The number-one thing to remember whenever you are changing your eating lifestyle to foods that are more cleansing is to drink a lot of fluids. H₂O is your best friend. Here's a tip: take your weight and divide it in half. This is the number of fluid ounces you should be drinking daily. You should drink more fluids in the winter/rainy season. But again, be smart. Soda and some fruit juices can contain large amounts of processed sugars which can be hard on your metabolic system. Try replacing them with green teas and other drinks that use natural sweeteners such as Truvia, Stevia, Agave Nectar or honey. This is also a great time to use your juicing machine. Caffeine will dehydrate your body, so cut your normal consumption of these beverages by at least half.

Balance

A balanced food lifestyle includes nutritional fruits, fibrous vegetables, lean proteins, complex carbohydrates such as whole wheat, sprouted grains and lentils. Also, healthy fats such as Omega 3 & 6 found in fish, olive oil, avocados and nuts are wonderful. You may want to start using a good multi-vitamin supplement if you do not do so already.

Making Time

Take a little time to plan and make your food, on the web go to meatlessmonday.com for some great recipes and ideas for this type of diet. Nutritiondata.com helps you see just how much protein you really are getting without meat! The pleasure of eating it will be much more rewarding. If you are extra busy, set aside one day of the week to prepare a large container of veggie stew or lentils that will last for a few days and add extra healthy snacks for in-between.

A Little Shopping Help

A clean slate is the best way for a clean start, so take the time to go through your cupboards and refrigerator and get them prepared for your new eating lifestyle. Then be sure to make yourself a shopping list. This will save on time and stress when you are in the store.

Superfoods

Superfoods are foods that are calorie-deficient and nutrient-packed. They carry extreme amounts of vitamins and minerals as well as antioxidants. Imagine a superfood -- not a drug -- powerful enough to help you lower your cholesterol, reduce your risk of heart disease and cancer, and, for an added bonus, put you in a better mood. Did we mention that there are no side effects? You'd surely stock up on a lifetime supply. Guess what? These life-altering superfoods are all a part of the Daniel fast.

"The effect that diet can have on how you feel today and in the future is astounding," says nutritionist Elizabeth Somer, author of *Nutrition for a Healthy Pregnancy, Mood, and The Essential Guide to Vitamins and Minerals*. "Even people who are healthy can make a few tweaks and the impact will be amazing," Somer says. "I'd say that 50% to 70% of suffering could be eliminated by what people eat and how they move: heart disease, diabetes, cancer, hypertension can all be impacted."

Some Superfoods are:

- Avocados
- Beans and lentils
- Blueberries, cranberries, strawberries and blackberries
- Broccoli, cabbage, cauliflower and brussels sprouts
- Oats
- Oranges
- Pumpkin
- Quinoa
- Soy
- Spinach and other greens
- Tea (green or black)
- Tomatoes
- Walnuts
- Yogurt

Oatmeal is a great way to start your day. Add some toasted pine nuts, sunflower seeds and dried cranberries for a filling and satisfying breakfast. Cold cereals such as Raisin Bran or Cheerios with soy, almond or hemp milk can be found at any grocery store or Marlene's Markets. Whole grain breads and sprouted grain breads not only help you to get more fiber but they taste great. Dave's Killer bread is great toasted. Granola is sweet, crunchy and very delicious. Available in many varieties and in bulk at Fred Meyer's. You do need to watch out for the high fat content though. Top off cut up fresh or canned fruit with a bit of granola and healthy nuts. If it isn't already sweet enough for you, drizzle with Agave nectar, found next to the honey but not as strong a flavor. This will not only satisfy your sweet tooth but it will boost your confidence that you can overcome. Frozen grapes are always a good standby also.

Lunch

Ezekiel Bread and Healthy Way are sprouted grain breads with no flour and they are both organic. Use a leaf of leaf lettuce and make a roll using cheese and tomato. Humus is great on those whole grain breads. Always have a bag of baby carrots and other veggies for snacks. Nut's and seeds are great snacks as well. Sweet potato fries are so good baked with a bit of oil and seasoning salt.

Dinner

Lentils are nature's perfect grain. They are packed full of fiber and protein and will keep you full for hours. Add brown rice, ripened tomatoes, celery and onion. Veggie stir-fry with whole grain rice added is very filling. Soups filled with barley or quinoa and any of the beans are full of protein.

DANIEL FAST

21 DAYS: FAST, PRAY, STRATEGIZE

FUEL FOR A REVOLUTION

3. Purposeful Strategy

We encourage you to journal every time you pray. Journal when you wake up. Expect you'll be hearing from the Holy Spirit throughout your 21 days and following. Write down what you hear the Lord speaking to you about.

Habakkuk 2:2

And then GOD answered: "Write this. Write what you see. Write it out in big block letters so that it can be read on the run."

Habakkuk was a prophet that was asking God for help and direction. God answered him and the first thing he said was to write down what He was going to say so that it could be turned into action.

God loves to answer our cries, but we often lose our answers because we don't capture what he says and then purposefully strategize with what He gives us.

When you hear from God, what will you do with what you hear? It's our desire that you capture every word and turn it into action and that you are able to run with it and keep it in your vision as you run.

Fill out the following pages to define what you are needing to hear from God on. Everything that you hear in prayer write down and then use it to formulate plans and goals that you will put into practice for 2017. Save this booklet and when we do Daniel Fast 2018 you can compare and see how far you have gone in 2017.

Consider the following Trees of Life and fill in what you are needing/wanting to see in each area. Then as you pray and hear from the Lord write down what you hear and then as you get clarity begin to fill in the strategy that you will use to fulfill what you hear.

DANIEL FAST

21 DAYS: FAST, PRAY, STRATEGIZE

DEVOTIONAL EMPHASIS

The Jesus Fast

Visit and subscribe to <http://www.dwainwolfe.org> for additional blog devotionals during the 21-day fast.

Day 1

The fasting lifestyle of John preceded the ministry of Jesus. He was a type of Elijah, he was a way maker... a voice crying in the wilderness. Your fast is also a preparation in nature, making the way for a greater expression of Jesus. Regardless of how hopeless things look way makers are used by God to advance the cause of the Son. Gods will is that grace increases. No matter how deep rebellion may run, God wants to overcome it with grace. You and your prayers are an expression of grace. You, dear Christian, are the standard God is using to overcome evil.

Isaiah 59:19 When the enemy shall come in like a flood, the Spirit of the Lord shall lift up a standard against him.

Romans 5:20 The law was brought in so that the trespass might increase. But where sin increased, grace increased all the more, 21 so that, just as sin reigned in death, so also grace might reign through righteousness...

Day 2

Bill Bright was a hinge man for Campus Crusade for Christ, a catalyst for revival. He responded to the call on his life by fasting for 40 days several times. He heard the Lord promise a million person harvest was coming and he felt it would be connected to a prayer and fasting movement. He wrote, " the promise of the coming revival carries one condition...believers by the millions must first humble themselves and seek His face in fasting and prayer."

Let's take on a posture of humility. Let's manifest spiritual hunger. Let's believe for the advancing of Jesus on the heels of our fasting and prayer.

Isaiah 40:31 ... those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint.

Day 3

Fasting has been likened to Atomic power. Franklin Hall started a fasting revival around the time of the newly developed Atomic bomb dropped on Japan. The explosive quality of this relatively small fasting movement disproportionately shook the earth. Such is the power of fasting. It is a far larger spiritual reality than merely skipping food and praying. Rather it is a weapon of divine proportions, sadly underutilized in the arsenal of the church.

Do not overlook the chronology of revival and its affect. Corporate fasting breaks out in 1946. Healing in 1947. The modern era's most profound evangelistic ministries soon followed: Bill Bright in 1948, Billy Graham's tent revivals in 1949. (pg 31 The Jesus Fast)

God still works through this tool to advance His kingdom. We become those who plow up the hard ground in fasting and prayer.

Hosea 10:12 Sow righteousness for yourselves, reap the fruit of unfailing love, and break up your unplowed ground; for it is time to seek the Lord, until he comes and showers his righteousness on you.

Day 4

Is your daily life harnessed to a dream? "There is no such thing as unmotivated people, just those who listen to the wrong dreamers." (Unknown author)

Is your life harnessed to the compelling power of a great, prophetic vision, something big enough to live for ... even to die for?

God has sovereignly injected us into the plot of an epic story. War surrounds us. How will you and I fulfill the purpose for which we were born? How will we fight? Do you know you were raised up to fight? (pg 41, 42 the Jesus Fast)

What will you do today to engage in the epic battle of history?

Jeremiah 51:20-24 "You are my war club, my weapon for battle - with you I shatter nations, with you I destroy kingdoms, with you I shatter horse and rider, with you I shatter chariot and driver, with you I shatter man and woman, with you I shatter old man and youth, with you I shatter young man and young woman, with you I shatter shepherd and flock, with you I shatter farmer and oxen, with you I shatter governors and officials. Before your eyes I will repay Babylon and all who live in Babylonia for all the wrong they have done in Zion," declares the Lord.

Day 5

You are I are made for more. History is shaped by intercessors. Are you ready for the WINGED life? Fasting has given Lou Engle wings! Largely through the grace of fasting, he has come to deeply know the liberating fight of freedom from the common and profane to the call of the wild. Will you join Lou and embrace the power of fasting ? (pg. 43 the Jesus Fast)

Isaiah 62:1 For Zion's sake I will not keep silent, for Jerusalem's sake I will not remain quiet, till her vindication shines out like the dawn, her salvation like a blazing torch.

Day 6

Incense is more than smoke; it is symbolic of prayer in the book of Revelation which describes the "golden bowls full of incense, which are the prayers of the saints"

Revelation 5:8 And when he had taken it, the four living creatures and the twenty-four elders fell down before the Lamb. Each one had a harp and they were holding golden bowls full of incense, which are the prayers of God's people.

Malachi, the last prophet of the Old Testament anticipates a time when worship and prayer and combined before the throne of God. In villages, towns, cities; at work and at home; in the mountains, coastlands and deserts; and from dusk to dawn – every place and every time – "incense is going to be offered" before the return of Christ. Amos saw this as the restoration of the tabernacle of David. (Amos 9:11). Rejoice, as we are living in the fulfillment of these very things.

(pg. 46,47 The Jesus Fast)

Day 7

Heroes will arise from the dust of obscure and despised circumstances, whose names will be emblazoned on heaven's eternal page of fame. - Frank Bartlman

The dawn can push back the night so it is with heroes. "The path of the righteous is like the light of dawn, that shines brighter and brighter until the full day." (Proverbs 4:18)

You are entering the Hero life, whether others know it or not. Father will be your reward as will the fruit of the coming generations.

(Pg 53 The Jesus Fast)

Day 8

During Israel's darkest hours, and in the times of its greatest moral decline, God raised up individuals and prophetic companies of Nazirite young people, men and women to stem the tide of apostasy. Nazirites stepped onto the national scene as a counter cultural resistance to the prevailing sexual immorality and idol worship of the day. (Pg. 61, 62) In a modern context, Nazirites are those who seize the invitation from heaven to pursue the highest levels of personal devotion. Nazirites are ultimate pleasure seekers, but with the wisdom to see it in the most fulfilling place, which is God Himself.

Ps. 16:11 You make known to me the path of life; you will fill me with joy in your presence, with eternal pleasures at your right hand.

Day 9

In Numbers 6:6 "throughout the period of his separation to the Lord he (the Nazirite) must not go near a dead body."

Apply this today. Are you touching anything that causes you to die spiritually? The windows of pornography? Are your gates (eye gate, ear gate, emotional gate, imagination gate) open to contaminations from the world of entertainment, fashion or the false expectations of family and friends – those things that seek to squeeze the Nazirite soul into a posture of surrender? The harassments of Delilah are found everywhere. (pg. 69,70) If so, free yourself. Flee from compromise. Separate yourself.

Day 10

A Nazirite hates "even the garment polluted by the flesh" (Jude 23) He cannot, will not, touch the defiled thing.

Ephesians 5:11-12 Have nothing to do with the fruitless deeds of darkness, but rather expose them. It is shameful even to mention what the disobedient do in secret.

The world system feeds on impurity. We put ourselves at risk when we enmesh our lives with the uncleanness so easily available as cultural norm.

Ask the Holy Spirit for the wisdom to separate yourself unto Jesus.

Day 11

I am raising up Nazirites who will set their face to tear down the altars of pornography and sexual immorality in the land. They have made the vow to stand against abortion and take care of the pregnant mother. They burn for adoption and they challenge the sex-trafficking industry. They invade false ideologies with the light of the Gospel in daring missions work. They follow in the train of their master, Jesus, who is consumed with zeal for His house. They will be the spiritually violent ones who will challenge the political systems of death and injustice through prayer, prophecy and spiritual warfare. But they themselves will demonstrate, by the quality and sacrifice of their lives, a new alternative of hope and compassion in the earth. They will live out the Kingdom of God in love, forgiveness and outrageous acts of compassion for the poor and the oppressed. Theirs is the Kingdom of God.
(pg 73)

Day 12

Fasting is for every disciple, but we get overwhelmed with the weakness of the flesh and our seeming inability to conquer the unconquerable appetites of the natural man. The great news is that it does not all depend on us. Christ lives within us, and He moves within us to give us the inward motivation to fast! Fasting is a grace that comes from Heaven.

Every time you set your face to fast, you are guaranteed to see some cosmic Law of Temptation and Attraction activated, which is why a beautiful pink box of doughnuts suddenly appears at your office. Before you fast, no doughnuts. After you decide – in fact, the moment you decide – boom, they appear! Pg. 83

Matthew 26:41 "Watch and pray so that you will not fall into temptation. The spirit is willing, but the flesh is weak."

Day 13

Peoples lives, even the destinies of nations are shifted on the fulcrum of desperate, focused fasting.

1 Samuel 31:11-13 When the people of Jabesh Gilead heard what the Philistines had done to Saul, all their valiant men marched through the night to Beth Shan. They took down the bodies of Saul and his sons from the wall of Beth Shan and went to Jabesh, where they burned them. Then they took their bones and buried them under a tamarisk tree at Jabesh, and they fasted seven days.

The whole of 2 Samuel is the story of David, the restoration of the nation of Israel and the rising of David's kingship...Throughout the Bible you will find that the major transitions in Biblical history were the seasons of united Corporate fasting and prayer.

Pg 85,86

Day 14

An Elijah generation is called to confront the ministry of Jezebel. One of the great tools by which Jezebel reduces mighty men of God into whimpering eunuchs is to seduce them into sexual immorality. The same spirit of Elijah's day was later manifested in the church of Thyatira. Jesus, in full resurrection glory and zeal, is revealed as utterly committed to cleansing this influence from His body. Pg 90, 91

Revelation 2:26-29 He who overcomes, and he who keeps My deeds until the end, to him I will give authority over the nations; and he shall rule them with a rod of iron, as the vessels of the potter are broken to pieces, as I also have received authority from My Father; and I will give him the morning star. He who has an ear, let him hear what the Spirit says to the churches.'

Day 15

Elijah will stand and face the enemy. Elijah will confront.

Ephesians 6:10-18 Finally, be strong in the Lord and in his mighty power. Put on the full armor of God, so that you can take your stand against the devil's schemes. For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. Therefore put on the full armor of God, so that when the day of evil comes, you may be able to stand your ground, and after you have done everything, to stand. Stand firm then, with the belt of truth buckled around your waist, with the breastplate of righteousness in place, and with your feet fitted with the readiness that comes from the gospel of peace. In addition to all this, take up the shield of faith, with which you can extinguish all the flaming arrows of the evil one. Take the helmet of salvation and the sword of the Spirit, which is the word of God.

And pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep on praying for all the Lord's people.

Day 16

Jezebel is a seducer of men and thrives in sexual immorality, this is a primary aspect that we see illustrated with Ahab, Sampson and Herod of the New Testament era.

1 Kings 16:31 And it came about, as though it had been a trivial thing for him to walk in the sins of Jeroboam the son of Nebat, that he married Jezebel the daughter of Ethbaal king of the Sidonians, and went to serve

Baal and worshiped him.

However, in addition, there are other aspects of the Jezebel influence that must be resisted as well, aspects of warfare for our wives and daughters. As the spirit of Elijah comes upon a generation of women they will resist living out of seduction, rebellion and manipulation. They will not walk in fear and control, but in a deep abiding trust of the Most High God.

Prophecy this over the ladies in your life.

Day 17

Millions don't defy God consciously; they default to cake and television. Except for the periodic rush of sex and sport and cinema, life yawns. There is no passion for significance. For many, no passion at all. - John Piper

Proverbs 29:18 Where there is no vision, the people perish...

Elijah was moved for the freedom of Israel and led by God to raise up the next generation of sons and daughters who would defeat Jezebel and the influence of Baal.

Fasting and prayer has been one of God's keys to raise up the next generation.

Fasting fathers have a unique capacity to unleash the generation of double portion sons. This is the lesson of Elijah's life. (Pg 99)

Day 18

Certainly Elijah was a fearless intercessor who moved in signs and wonders, but perhaps he is meant to exemplify a more difficult lesson that few in ministry learn. Your vision is insufficient. Your ministry is insufficient. Your calling is insufficient. Your, your, your. Though it blaze with a glory brighter than Carmel, it will fade just as fast. No – gain sons and daughters. Father them and you father a movement. You see, throwing down fire from heaven is quiet easy for God, but raising sons and daughters requires human investment. The path forward is to move from solitude and miracles to sons and multiplication. (pg 105,106)

Malachi 4:5-6 "See, I will send the prophet Elijah to you before that great and dreadful day of the Lord comes. He will turn the hearts of the parents to their children, and the hearts of the children to their parents; or else I will come and strike the land with total destruction."

Day 19

He who buries his head into the nosebag of food cannot hope to see the invisible world. Abu Al-Ghazali (ca. 1058-1111)

Daniel's regimen of prayer and fasting inaugurated a war in heaven between holy archangels and the demonic "prince of Persia" (See Daniel 10:13). After 21 days of spiritual battle, an archangel from heaven, aided by Michael, the angelic prince over Israel, not only dislodged the demonic prince of Persia from its position of influence over the human kings, but gained proportionate influence in its stead. Pg. 118,119

Daniel 10:12-13 Then he said to me, "Do not fear, Daniel, for from the first day that you set your heart to understand, and to humble yourself before your God, your words were heard; and I have come because of your words. But the prince of the kingdom of Persia withstood me twenty-one days; and behold, Michael, one of the chief princes, came to help me, for I had been left alone there with the kings of Persia.

Day 20

Daniel stands in a place of high esteem because he is faithful to this larger mission of receiving and releasing. Knowing this, the Bible reveals archangels waiting for him to breathe on the prophecies with a word of release. Heaven waits to sanction the word of release when man agrees with heaven's decrees. Prayer actually deploys angelic powers that shift eras and entire empires, though not without great resistance. Thus, when we fast and pray in concert with the agenda of God, we inaugurate war in the heavens. As Mike Bickle says, "angelic and demonic authorities are over the natural authority structures of the nations...Daniel fought the demonic prince by agreeing with God in prayer and fasting." (pg 121)

2 Corinthians 1:20 For all the promises of God in Him are Yes, and in Him Amen, to the glory of God through us.

Day 21

John the Baptist fasted in such a way that God could trust him on the stage of history. The same invitation extends to you and me. Prophets are forged in the deserts of fasting, not the deserts of feasting. Be faithful in little and persevere for years if need be. Divine delays and desert disciplines are preparing you to fulfill your destiny. This is what happened to John the Baptist. America needs a 180 degree turn around, and Luke 1:80 is the prescription: (pg 149)

Luke 1:80 So the child grew and became strong in spirit, and was in the deserts till the day of his manifestation to Israel.
